+ LYRICS

VERSE 1

the angel said do not fear
so I'm choosing faith right now
behold there is good news
so my hope is in You now

CHORUS

oh oh oh oh oh oh
glory to God on high

VERSE 2

the wise men were chasing a star
like I'm chasing Your heart right now
shepherds bowed down by the manger
so I'll bow before you now

BRIDGE

the world was waiting, the angels singing
hallelujah, God is with us
so we're rejoicing, that light's still burning
what happened that night is still
changing our lives
