

LOVE RUNS DEEP

Brandon Sharp, Leeanna Reynolds, Taylor Knight, Mark Denny

+ Lyrics

VERSE 1

fear and shame fight for my attention
without you, they would win
in the dark, my heart you won't abandon
You promise your presence, and that's enough
You promise your presence, and that's enough

CHORUS

You are good you've always been
You are good and you always will be
God, Your love runs deep
yes, Your love runs deep

VERSE 2

like a tree planted by the waters
help my soul abide in You
though I'm prone to wander through the desert
You promise your presence, and that's enough
You promise your presence, and that's enough

BRIDGE

like I praised you there through the shadows
I praise you here in the now
I'll praise you more for the not yet
You're the God of it all
