

RESURRECTION POWER

Brandon Sharp, Lance Asher, Trent Stewart

+ Lyrics

VERSE 1

I wasn't looking, He freely chose me
I'm not a stranger anymore
His cross to show me the love He carried
Gave me the reason to believe

VERSE 2

When I was broken, I wouldn't show it
When I was lost I couldn't see
His endless mercy was always chasing
And now His light's alive in me
I lift my hands up to the King

CHORUS

You live, so I'm living
You breathe, so I'm breathing
In Your resurrection power
Jesus Christ, my Savior
You won, so I'm winning
You rose, so I'm walking
In Your resurrection power
Jesus Christ, my Savior

VERSE 3

The enemy thought that it was over
Three days of darkness in the tomb
His heart was beating, God wasn't finished
No grave could ever keep Him down
Jesus our God is risen now

BRIDGE

From death to life
Darkness to light
My future changed forever
