

EVEN IF HE DOESN'T

Brandon Sharp, Lance Asher, Trent Stewart

+ Lyrics

VERSE 1

When it feels overwhelming, like a mountain
In front of me
When it's hard to see answers, there is power
For impossible things

CHORUS

I know that He can do it
But even if He doesn't
I will worship anyway
Any way it goes
Any way it goes

VERSE 2

When I'm found in the fire, I will fight with
My knees on the ground
When I stop and I listen to Your promise
It's a beautiful sound

CHORUS

BRIDGE

You are still good, You are still worthy
how could I question the God that is holy
You leave me speechless,
I'll trust you completely
Any way it goes

TAG

Any way it goes
